Farmingville, NY – On April 21, Councilwoman Jane Bonner was on hand to celebrate the ribbon cutting at the grand opening of Corrective Chiropractic at 595 Route 25A. The doctors at Corrective Chiropractic diagnose and treat common spinal misalignments that can occur from lifestyle or injuries causing pain, discomfort and degenerative conditions. They are also approved to treat veterans at no cost.

Councilwoman Bonner said, "I welcome Corrective Chiropractic to the Miller Place community. It's great to see a Long Island business expand, especially one that helps our veterans like they do. I wish them the best of luck."
